Mr. Abdul Manan

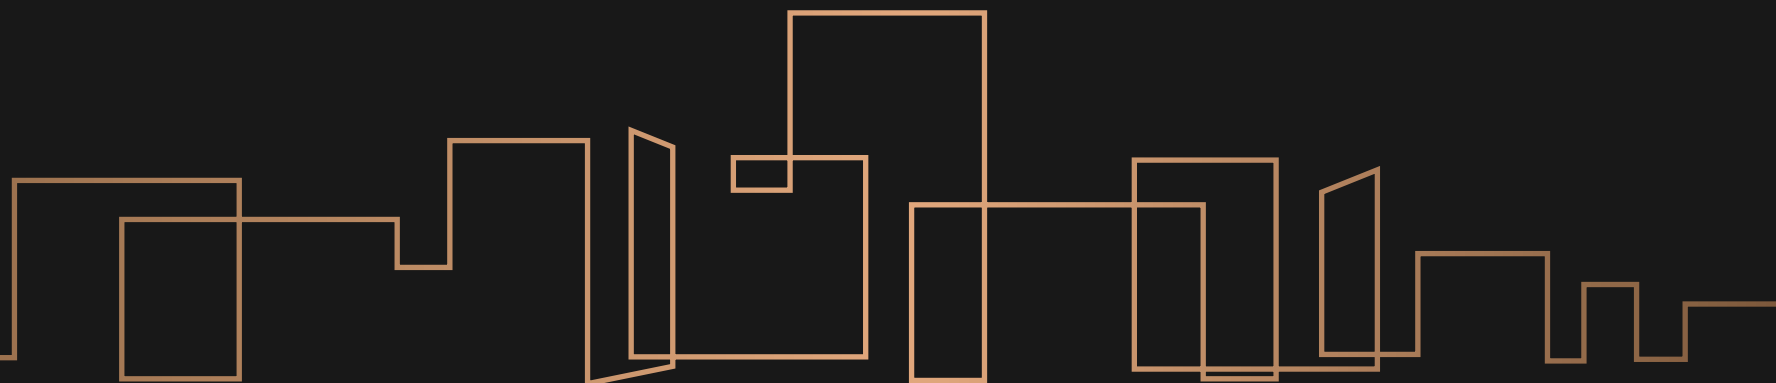

Founder & Principal Architect, AM Designs

B. Architecture, UVCE Bangalore (2001)

With a career that spans over two decades, Mr. Abdul Manan stands as a visionary architect whose extensive experience and design expertise have contributed significantly to the architectural landscape of India. As the Founder and Principal Architect of AM Designs (AMD Architects), Mr. Manan has developed a reputation for creating innovative and functional spaces with an emphasis on hospitality, commercial, and residential design.

Early Beginnings and Formative Years Mr. Manan's architectural journey began in 1999, when he joined Four Dimensions India Pvt Ltd as a Junior Architect while completing his studies. Here, he worked primarily on retail design, contributing to projects for well-known brands such as Hutch, Indigo Nations, Scullers, VIP Luggage, and Oysterbay showrooms across South India. This experience laid the foundation for his design approach, focusing on customer-centric spaces that are both functional and aesthetically appealing.

In 2001, after completing his Bachelor's degree in Architecture from UVCE Bangalore, Mr. Manan moved on to Siraj and Renu Architects, where he continued to develop his expertise in architectural design. Over the next decade, he played a pivotal role in numerous high-profile hospitality projects, sharpening his skills in large-scale design and construction. Among the key projects during this period were iconic hotels and resorts such as The Residency Towers (Chennai), Ocean Spray Resort (Pondicherry), Aloft Hotels (across multiple cities), and the Fortune Select Hotel, which further cemented his reputation as a leading figure in hospitality design.

Founding AM Designs: A Vision for the Future

In 2011, Mr. Manan took the bold step of founding AM Designs (AMD Architects), with a mission to create architectural solutions that are not only visually striking but also deeply functional and sustainable. The firm's very first major project, the renovation of Le Meridien Hotel Bangalore, marked the beginning of a new chapter, establishing AM Designs as a key player in the hospitality design space.

Under Mr. Manan's leadership, AM Designs has rapidly gained recognition for its holistic design philosophy. Every project undertaken by the firm reflects a keen understanding of the client's vision, site context, and evolving market demands. From conceptual design through to execution, Mr. Manan remains deeply involved in all stages, ensuring that the final product exceeds expectations while remaining rooted in practicality, sustainability, and innovation.

A Design Philosophy Rooted in Sustainability, Innovation, and Functionality, At AM Designs, Mr. Manan leads with a design philosophy that places equal emphasis on aesthetic appeal and functionality. With a commitment to creating spaces that are timeless, the firm uses sustainable practices and materials to ensure that each project stands the test of time, both in terms of design relevance and environmental responsibility. Mr. Manan believes that good design is not only about creating beautiful spaces but also about considering the long-term impact of those spaces on the environment and the community.

The firm specializes in hospitality design, a sector where Mr. Manan's expertise shines. His approach involves seamlessly blending architectural form with interior design elements to create cohesive, immersive experiences for guests. This approach has been instrumental in delivering a wide range of successful projects, including high-end resorts, luxury hotels, and boutique properties.

Vision for the Future

Looking ahead, Mr. Manan's vision for AM Designs is to continue pushing the boundaries of architectural innovation. The firm aims to embrace new technologies, experiment with bold design concepts, and continue to deliver projects that make a positive impact on both the built environment and society as a whole. Whether designing a luxury resort or a residential development, Mr. Manan is committed to creating spaces that are timeless, functional, and sustainable—offering unique experiences that resonate with those who interact with them.

With a focus on sustainability, innovation, and client-centric design, AM Designs remains dedicated to delivering exceptional projects that not only meet the needs of today's market but anticipate the demands of tomorrow.

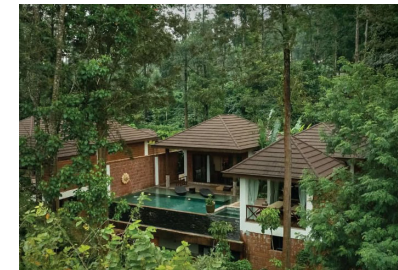

RESORT

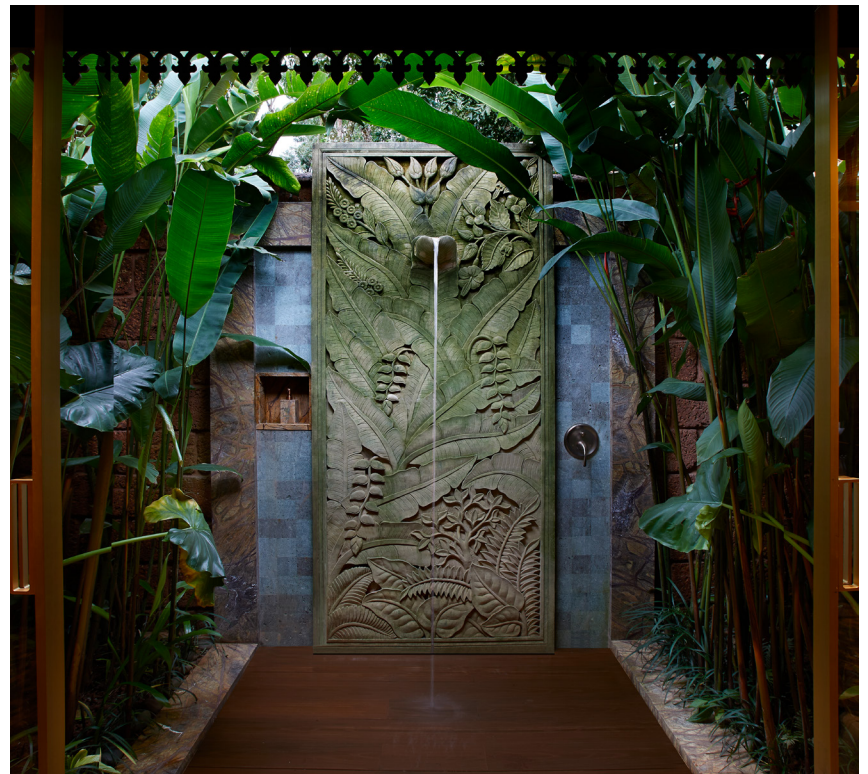

A photograph of a resort building with a swimming pool, surrounded by dense greenery. The building has a brown tiled roof and a brick wall. The pool is rectangular and has a dark blue interior. The surrounding area is filled with tall trees and lush vegetation. The word "RESORT" is overlaid in large, bold, black letters across the center of the image.

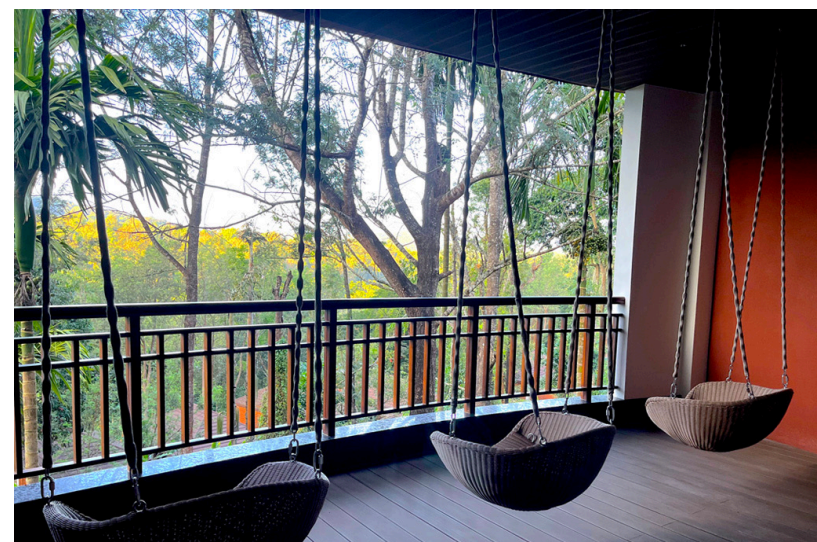

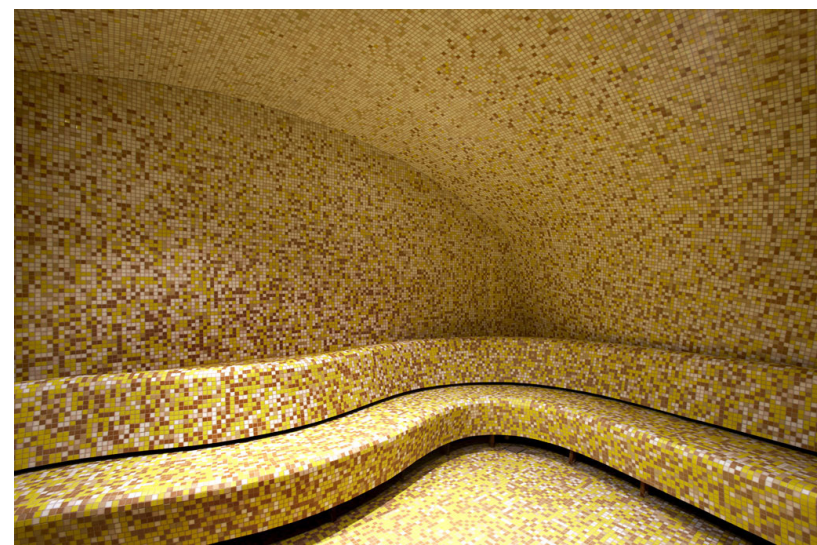

Timbertales Luxury Resort, Coorg:

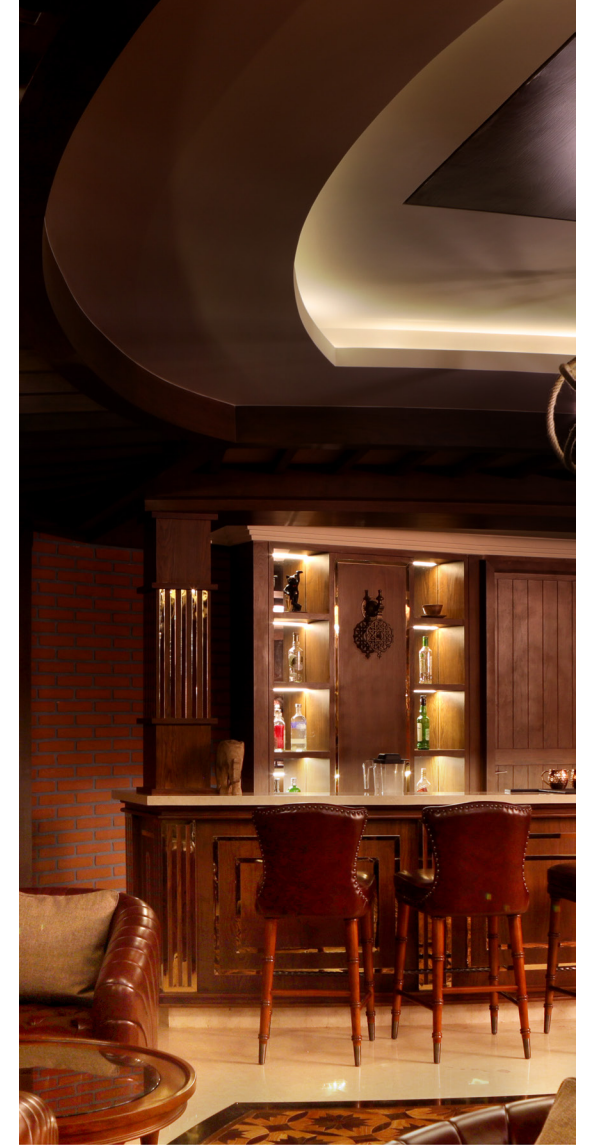

A luxurious getaway nestled in the hills, this resort integrates nature with modern luxury, offering an immersive experience for guests.

The design pays homage to local architecture while incorporating contemporary amenities.

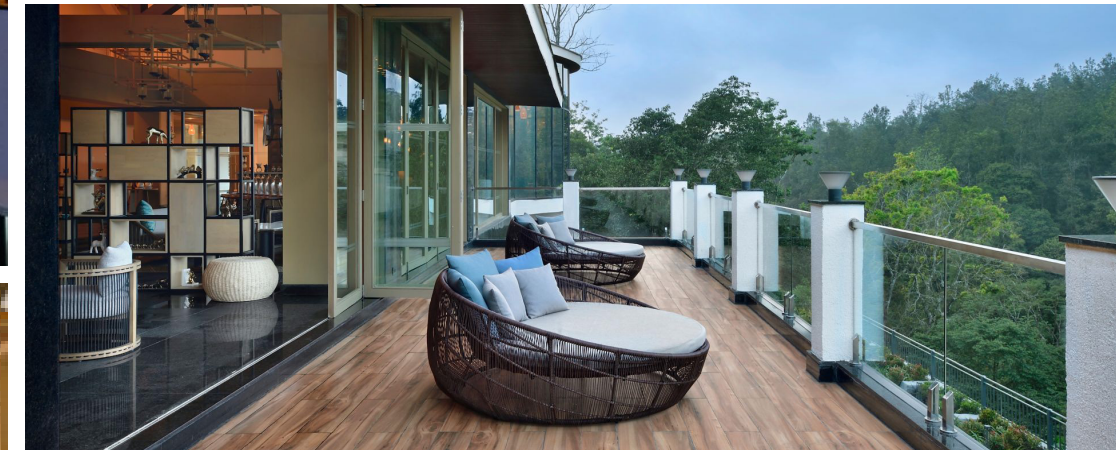

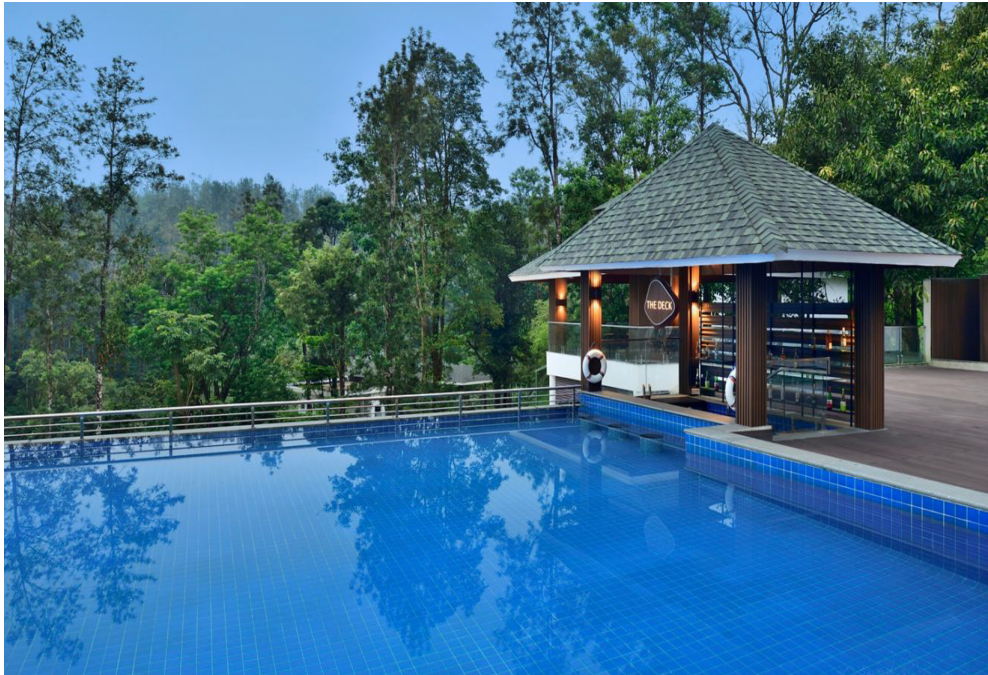

Marriott Hotels & Resorts, Coorg

A prestigious hospitality project that blends the Marriott brand's signature style with the lush, serene landscape of Coorg, offering guests an elegant yet relaxed environment.

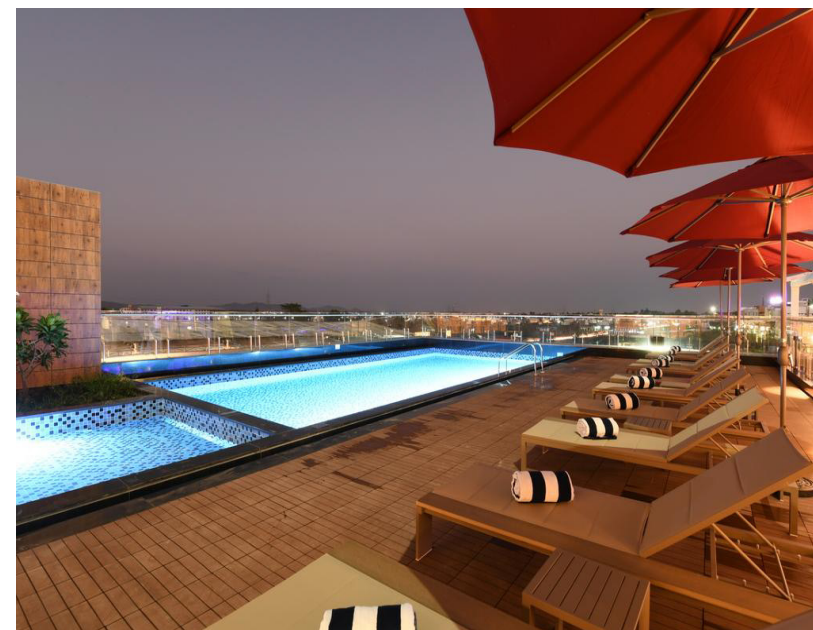

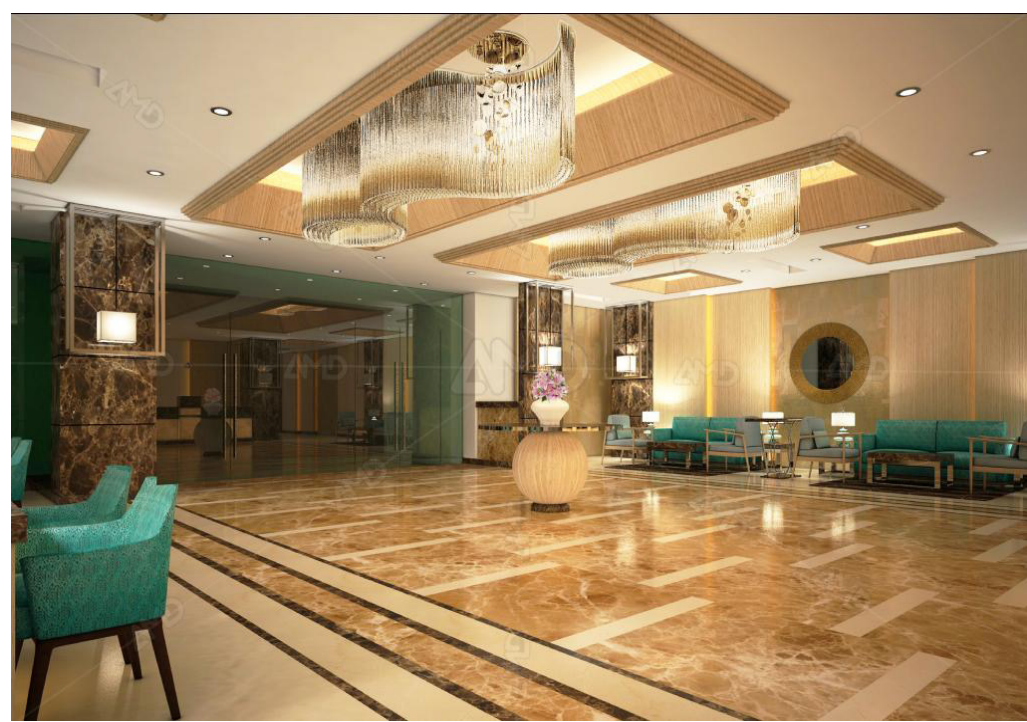

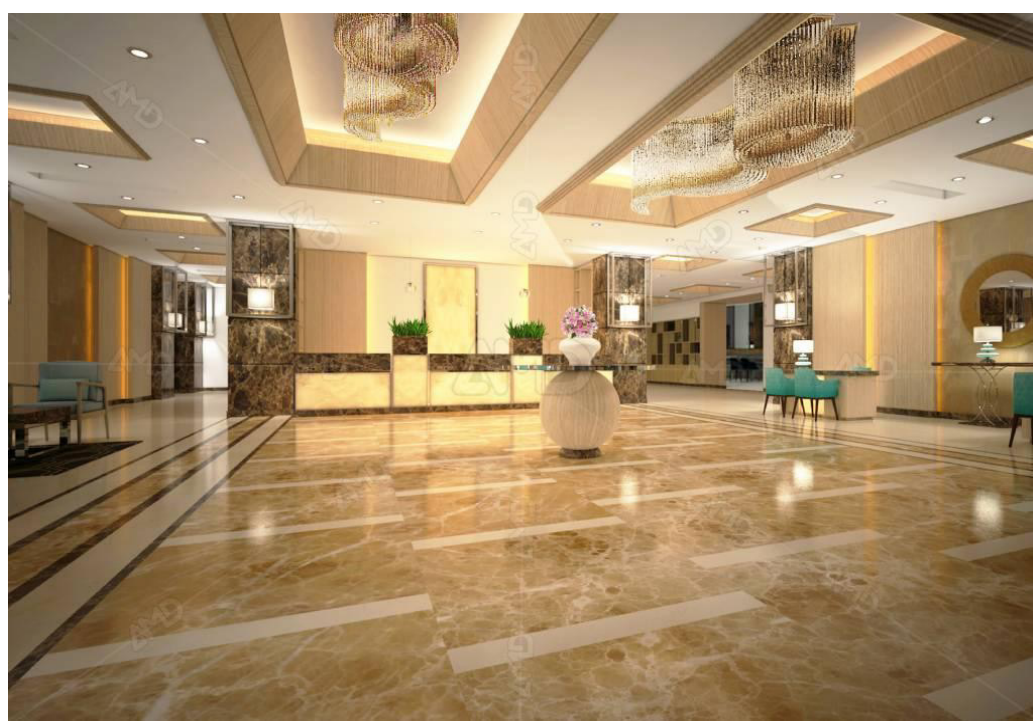

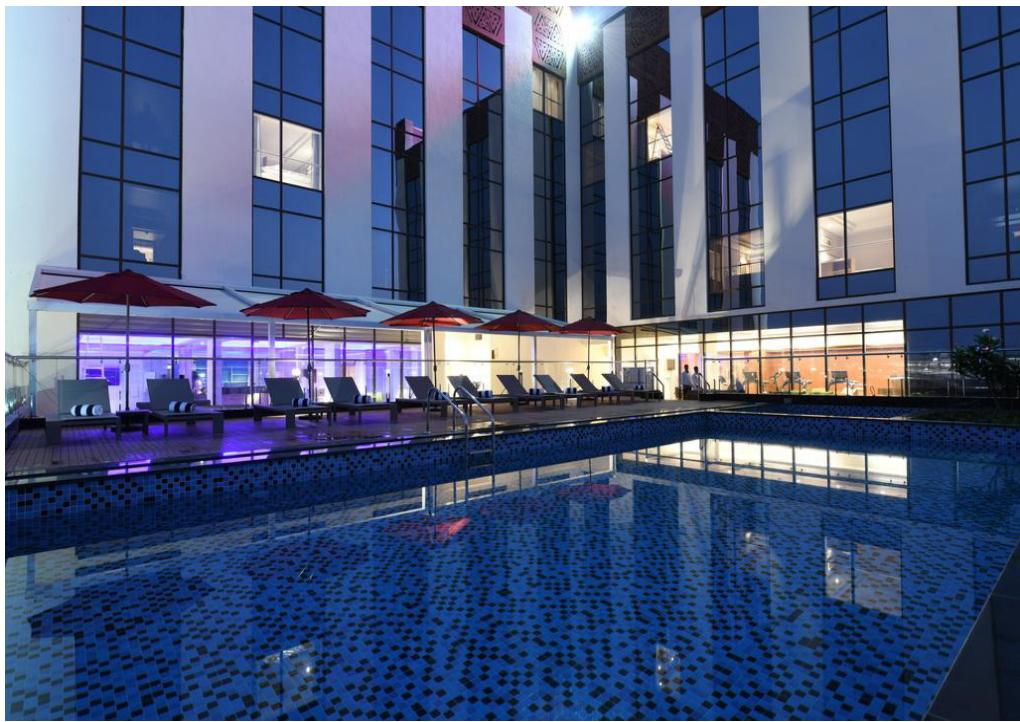

A wide-angle shot of a modern hotel lobby. The floor is made of large, polished, light-colored marble tiles with a subtle pattern. The ceiling is white with recessed lighting and two large, ornate chandeliers hanging from it. In the background, there is a reception desk with a counter and a few chairs. The walls are a mix of light wood paneling and dark stone accents. The overall atmosphere is clean, bright, and sophisticated.

HOTEL

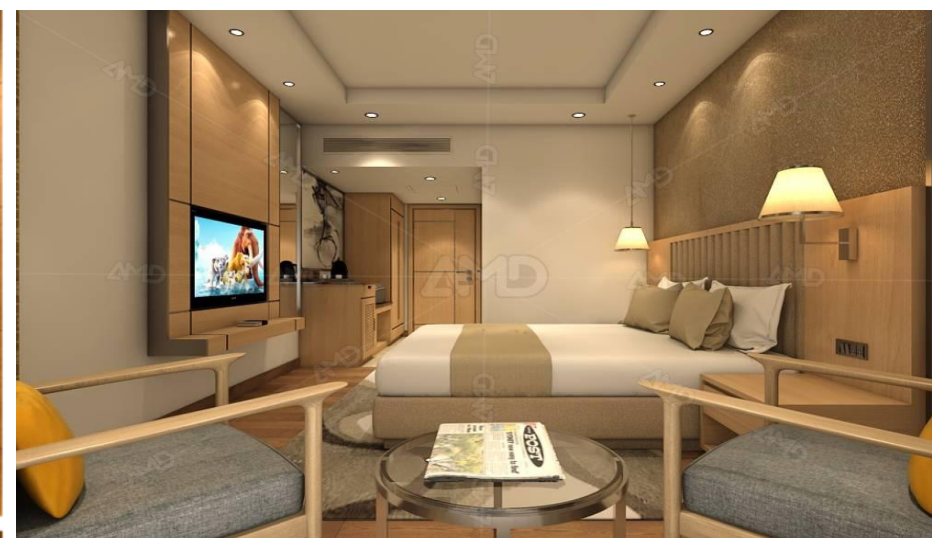

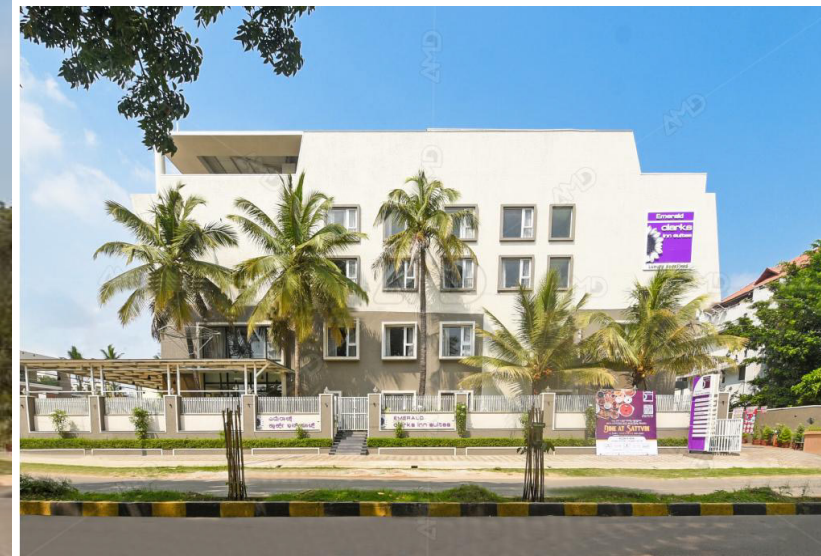

Harsha The Fern, Shimoga

Clarks Inn Suite, Mysore:

A charming hotel designed to provide a seamless blend of comfort, elegance, and modernity, catering to both business and leisure travelers.

RESTAURANT

RESIDENTIAL

A high-end residential bedroom featuring a large bed with a tufted headboard, a marble wall, and a modern lighting fixture. The room is furnished with a white bedspread, patterned and solid-colored pillows, and a tray with a teapot and flowers on the bed. A desk and chair are visible on the left side of the room.
